

DURLSTON COURT

Preparatory School

9th November 2021

Dear Parents,

We will be running a holiday activities programme for the Christmas holidays (Monday 13th Wednesday 22nd December & Tuesday 4th January). Of course, this will be very dependent on demand from parents and any government guidance concerning Covid-19.

The programme is organised by myself, Mrs Naomi Mondino and other Durlston staff will support delivery in conjunction with: JC Sports, Miss Felicity, Lights, Camera Coding and Art2educate. There will be Durlston staff on site at all times. The programme will be open to Durlston children YR-Y8 and & Non-Durlston Year 1-8 unless specified otherwise. With booking open to Durlston families in the first instance, opening to external families 23rd November.

The activities will include: Minecraft Day, Dance, Panto, Avon Heath Country Park, Arts & Crafts, Christmas Spectacular inc disco, Art Day and Multi-sports, (including a selection of archery, mini golf, curling, nerf wars, cricket, orienteering and much more). We will also be running our activity days again which will incorporate cooking, sports, art with Abi, arts & crafts, team sports, gardening and lots & lots of good fun.

We are conscious of, and will follow guidance from the government in terms of coronavirus controls, including rigorous standards of hygiene. A full risk assessment will be undertaken.

Other details:

- The maximum number of children in each group will be 20.
- The minimum needed for each session to run will be 10 children. Regrettably, if there are not enough sign-ups, the sessions will not run (72 hours' notice will be given).
- Some activities require multiple day sign up, single days may be available for these activities the day prior if there is availability.
- Year R-Y8 the rate starts from £32 per day (09:00 - 17:00 each day).
- Childcare vouchers will be accepted, please tick the childcare vouchers box on the booking form and contact me directly. Vouchers must be transferred before a booking is confirmed.
- All children YR-Y8 will need to bring their own morning/afternoon snack, lunch and water bottle. Please provide hats, gloves & wet weather clothing to cover all eventualities.

We will, of course, notify you immediately if plans have to change because of any further government guidance or low numbers.

Yours sincerely

Naomi Mondino
